COME HOME TO HISTORY

Situated on a hilltop location within seven acres of picturesque and peaceful, landscaped grounds with stunning views over Mill Hill and beyond, St Joseph's Gate offers an extremely rare and exciting opportunity to own a piece of history. The Grade II listed building has been extensively and lovingly transformed into just forty nine 2, 3 and 4 bedroom apartments, all with allocated parking spaces, and each boasting beautiful interiors and benefitting from a luxury specification for which Berkeley is renowned, as well as a dedicated concierge service.

The landscaping has been restored to its former glory and includes a tranquil pond with a bridge, providing the perfect place to relax, and the southern lawns lead down from the main entrance, enjoying panoramic views over London.

TWO STYLES, ONE QUALITY

At St Joseph's Gate, you are spoilt for choice with the variety of homes on offer. Whether you would love to live in a space with original restored features and plenty of character, or prefer a brand new home with clean lines and a more contemporary feel, at St Joseph's Gate you really can enjoy the best of both worlds.

Whichever home you choose at St Joseph's Gate, each benefit from a luxury specification as standard, including fully fitted designer kitchens with integrated appliances. Upgrade packages are available to enhance your home further, including a sound and light system that can be remotely controlled, and a TV in the bathroom for the ultimate in modern comfort.

YOURS TO EXPLORE

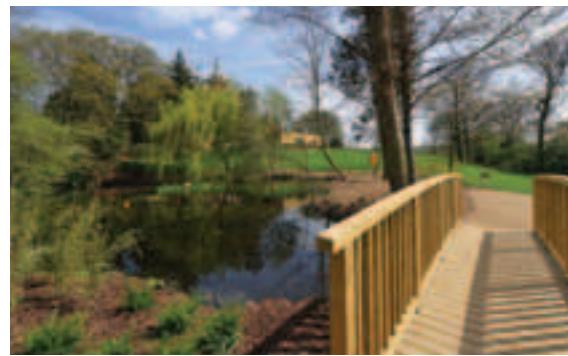

Wherever your home is within St Joseph's Gate, there is a vast array of communal features to enjoy. Set in seven acres of picturesque and peaceful landscaped grounds, the areas are yours to explore, whether it is a leisurely stroll along the rolling lawns, or relaxing by the tranquil pond enjoying the stunning views over London, St Joseph's Gate provides the perfect escape from the hustle and bustle of city life.

Many of the communal areas enjoy beautiful original features such as ornate tile and brick detailing, Victorian staircases and large windows to let the light flood in.

A dedicated concierge is on hand to assist with your every day needs, from greeting your guests, to helping with your shopping and signing for packages whilst you are out. In addition, each apartment benefits from two conveyed parking spaces and audio/video entry system to each apartment, and the development is gated with CCTV for added security.

The 'Grotto'.

The pond and bridge.

LOVINGLY RESTORED

The Amberley, Buckland, Cambridge and Elmbridge Wings have been lovingly restored by Berkeley into luxury 2 and 3 bedroom apartments, each one cleverly designed to fit within the original Victorian building. As a result, many of the apartments are unique in their layout and brimming with character, such as stunningly high vaulted ceilings, large feature windows, spiral staircases and mezzanine levels looking down onto the space below.

The Deerhurst and Fairford wings are newly built and have been sympathetically designed to work in harmony with the existing building. Many apartments enjoy large windows and all weather balconies with beautiful exposed brickwork, and some homes include impressively high vaulted ceilings to really enhance the space. Additional features such as coffered ceilings and bi-fold doors add that extra touch of luxury for which Berkeley is renowned.

OUR VISION

OUR VISION FOR YOUR FUTURE

The Berkeley Group already leads the field in sustainable development, and we are now raising standards higher still with Our Vision initiative.

When you buy a new home from Berkeley you will be sharing this commitment of a more eco-friendly way of life that has benefits for you and for the whole community.

AN EXCEPTIONAL CUSTOMER EXPERIENCE

- Dedicated sales teams provide exceptional service throughout the whole buying process
- Our Customer Service teams ensure your new home exceeds expectations on all levels

GREENER, MORE ECONOMICAL HOMES

- Use 26% less water per person than the average house*
- Save around £380* per year on energy bills
- Reduce CO₂ emissions by 76%*
- Recycling bins in every home
- Space for a home office
- A safer place to store bicycles

CREATING SUSTAINABLE COMMUNITIES

- Close to essential amenities including schools, parks and shops
- Good access to public transport
- Streets that are friendly for pedestrians and cyclists as well as cars
- Safe public spaces and pedestrian routes
- Homes designed to adapt to changing needs

A COMMITMENT TO THE FUTURE

- Berkeley sets targets to reduce the water use and CO₂ emissions associated with our construction activities and business operations
- We also pledge to reuse or recycle over 80% of our construction, excavation and demolition waste.

Over the past ten years, The Berkeley Group has transformed its business to become a leader in sustainable urban regeneration.

Sustainability is a key part of the Berkeley Group ethos, and its companies including Berkeley have made a long term commitment to create sustainable, vibrant communities that enhance the surrounding area while minimising any adverse environmental impact. These values lie at the heart of St Joseph's Gate.

The Code for Sustainable Homes (CFSH) is an environmental rating system, setting new standards for resource efficiency. The new homes at St Joseph's Gate (Deerhurst and Fairford Wings) achieve Code Level 4 and are 25% more energy efficient than the applicable Building Regulations requirement. For householders, this means lower running costs, as well as the satisfaction of living a 'more sustainable' life.

HOMES AT ST JOSEPH'S GATE ALSO INCLUDE:

'A' AND 'B' RATED APPLIANCES:
Fitted in kitchens these reduce energy consumption and emissions by up to 60%.

6/4 LITRE DUAL FLUSH TOILETS:
This could save you up to 33% of water consumption.

RECYCLING BINS:
Recycling bins are provided with each property enabling waste separation.

75% LOW ENERGY LIGHT FITTINGS:
Low energy fittings to save you energy and money.

When you buy a new home from Berkeley you can be safe in the knowledge that it is built to a very high standard of design and quality, has low environmental impact and that you will enjoy an exceptional customer experience.

DESIGNED FOR LIFE

Showhome at Silk Woods, Ascot

Showhome at St Joseph's Gate, Mill Hill

Buying a home is one of the most important decisions you will ever make. The qualities that make Berkeley different mean that you can choose a new home from us with complete confidence. When you buy a home from Berkeley you can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that you will enjoy an exceptional customer experience.

Customer service is our priority

We place the highest priority on customer service and will manage the whole moving process for you. Our Customer Care Teams will contact you shortly after you complete, to ensure that everything in your new home is absolutely to your liking. Our homes also benefit from a ten year warranty, the first two years of which are covered by Berkeley.

Green living and sustainable development is top of our agenda

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.*

Quality is at the heart of everything we do

At Berkeley, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind Berkeley operates a 2 year policy, included in the 10 year warranty all new homes receive, with dedicated Customer Service teams on hand 24 hours a day to deal with enquiries quickly and effectively.

Unparalleled choice of homes in the most sought after locations

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type. From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast – we build in the locations you want to live.

A commitment to creating sustainable communities

Berkeley's homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.

Proud to be members of the Berkeley Group of companies
