Welcome to Beaufort Park

London NW9

North West London's most established new destination, created by St George.

Set amongst beautifully landscaped gardens and courtyards, the residences at Beaufort Park offer a new kind of London living.

As part of this community, residents benefit from exclusive access to a range of facilities including a stylish health and fitness suite and a variety of shops and restaurants, whilst superb transport links bring all that London has to offer within easy reach.

An inspiring outlook

The Capri Apartments, an exclusive selection of 1 bedroom Manhattan, 1, 2 and 3 bedroom apartments, designed with London living in mind.

Centrally located within Beaufort Park, these high specification homes are accompanied by stunning views over the central landscaped parkland and courtyards.

The Capri Apartments offer spacious, contemporary interiors and exceptional specifications, providing stylish city living amidst a beautiful parkland setting.

The local lifestyle

Having the everyday essentials on your doorstep does more than make life easier. Beaufort Park has a thriving social scene. Everything you need for an evening out or a relaxed weekend at home is here.

Beaufort Park is ideally designed for modern living. You can find all the essentials for a busy lifestyle and more, just a short stroll from your home.

With a Tesco Express conveniently located on Heritage Avenue, whether you want an early morning paper, some sweet treats, or ingredients for your evening meal, you can find it all at Beaufort Park.

Enjoy a leisurely drink, a quick bite to eat or a special meal with loved ones – Beaufort Park has a welcoming gastro pub and an indulgent coffee house, as well as a choice of exciting restaurants to discover.

There are even solutions for business needs. The new Business Centre and Community Rooms provide offices and areas for events, meetings, exhibitions and functions.

A leading global city

Beaufort Park is just a short journey from the very heart of London, the world's most vibrant city.

City of culture

World renowned galleries showcase all that's new and exciting in the arts, while the West End is acknowledged as the theatre capital of the world. London delivers world class entertainment to suit every taste.

City of gastronomy

Explore the cuisines of the world in London. From Michelin starred restaurants to trendy gastro pubs, there is always something tempting to satisfy all appetites.

City of shopping

A mix of elite brands, distinguished department stores and the huge choice of designer boutiques ensure the capital leads the way in both haute couture and high street fashion.

City of spectacle

Some of the world's most exciting architecture, old and new, adorns the London skyline. It's a combination that ensures there is always somewhere new to discover and to enjoy.

City of business

London is recognised as the world's leading international financial and business centre, being home to some of the world's most influential banks and financial institutions. The opportunities for businesses of every size are endless.

North West London provides a perfect balance of welcoming village character and capital city excitement.

The combination of leafy surroundings and bustling streets has created a very special appeal for anyone who wants to make the most of London living.

Spend a morning in ever fashionable Hampstead or exclusive Primrose Hill. Both offer a tempting choice of boutiques, restaurants and coffee shops in which to indulge.

Hampstead Heath and Primrose Hill are large areas of beautiful parkland that provide spectacular views of the City and all that it has to offer.

Explore Regent's Canal, with its colourful narrowboats or Camden's fascinating canalside market, where music and entertainment venues are almost too many to count.

Designed for life

Buying a home is one of the most important decisions you will ever make. The qualities that make St George different mean that you can choose a new home from us with complete confidence. When you buy a home from St George you can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that you will enjoy an exceptional customer experience.

Customer service is our priority

We place the highest priority on customer service and will manage the whole moving process for you. Our Customer Care Teams will contact you shortly after you complete, to ensure that everything in your new home is absolutely to your liking. Our homes also benefit from a ten year warranty, the first two years of which are covered by St George.

Green living and sustainable development is top of our agenda

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.

Quality is at the heart of everything we do

At St George, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind, in addition to the 10 year warranty all new homes receive, St George operates a 2 year policy with dedicated Customer Service teams on hand 24-hours a day to deal with enquiries quickly and effectively.

Unparalleled choice of homes in the most sought after locations

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type. From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast – we build in the locations you want to live.

A commitment to creating sustainable communities

St George homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.

A commitment to the future

Our
vision

Over the years, The Berkeley Group has won many prestigious awards for the quality, design and sustainability of its developments.

Our Vision is Berkeley's plan for the business, designed to raise standards higher still. Our goal is to be a world-class company creating successful, sustainable places where people aspire to live.

We take our responsibilities towards our customers, the environment, the workforce and the communities in which we work very seriously.

Our plan for the business has five areas of focus:

Customers, Homes, Places, Operations and Our People.

OUR VISION

To be a world-class business generating long-term value by creating successful, sustainable places where people aspire to live.

FIVE FOCUS AREAS

AN EXCEPTIONAL CUSTOMER EXPERIENCE

We aim to put customers at the heart of our decisions. Dedicated sales teams will provide exceptional service throughout the buying process, and teams will manage the customer relationship from exchange of contracts through to completion, delivery of the new home and after occupancy.

HIGH QUALITY HOMES

When you buy a new home from Berkeley you can be safe in the knowledge that it is built to very high standards of design and quality and has low environmental impact. We meet specific space standards for new homes and aim to deliver a home which has fibre broadband infrastructure.

GREAT PLACES

We seek to create beautiful, successful places characterised by the quality of their design, external spaces, transport and access to jobs and amenities. These are places where people choose to live, work and spend their time and which directly encourage people's well-being and quality of life.

EFFICIENT AND CONSIDERATE OPERATIONS

We reduce the impact of the construction process on the local community by registering all of our sites with the Considerate Constructors Scheme. We set targets to reduce water, energy and waste. We work with our supply chain to ensure high quality services and materials are consistently provided.

A COMMITMENT TO PEOPLE AND SAFETY

Safety is a high priority on all of our construction sites. We also aim to have a positive impact on society and enable young and unemployed people to get into work through our support of the Berkeley Foundation.

Berkeley takes social responsibility very seriously. In 2011 we set up The Berkeley Foundation, with the aim of supporting Britain's young people and their communities.

We do this through a number of partner charities that tackle some of the most pressing social problems affecting young people today, including homelessness and unemployment. The money raised comes part from the Berkeley Group, and also through the tireless and inventive efforts of our staff.

We have set a goal for The Berkeley Foundation to invest £10 million over the next five years to support young people and their communities. Every penny will be spent on charitable activities and worthy causes to ensure that maximum benefit is achieved.
